Year 5 end of term celebration

Dear Parents and Carers,

With the end of year upon us we thought it would be great to have a celebration to acknowledge the hard work of our students and staff.

Students have the opportunity to bring some green or amber food to share with other students. No red food please.

Important information about food:
Macgregor Primary School is committed to ACT Public School Food and Drink Policy 2015, which builds on existing policies to increase the supply of healthy food and drinks at school. As part of our commitment, we apply to National Healthy School Canteen Guidelines at all events and activities run and supported by the school. We encourage and promote green foods as the best choice at school events. Red foods may be served at occasional fetes and fundraisers.

*Red food includes iced cakes and slices, all types of lollies and chocolates (including chocolate chips or chocolate coated biscuits, all types of deep fried food, all types of soft drinks and cordial).*

We have students who are **highly allergic** to certain foods. Please be aware that we are an allergy friendly school, and so do not have products that contain nuts.

Please include a list of ingredients for baked goods or sandwiches so we are all aware of what the food contains.

Could students also please remember to pack a plastic bag for all classroom books to go home.

Also a reminder for all library books to be returned please. We hope you have a very special break and see you all in 2017!

Mrs Brown and Mrs Lin 😊
