

Dear Parents and Carers

Due to time and space constraints at the recent Athletics Carnival, we were unable to host the 800m running event. We would like to complete this event at another location and time, in order for children to have the opportunity to represent Macgregor Primary School at the Belconnen Zone Athletics Carnival. Children aged 8-12 are eligible to compete. This year we will host the 800m event at the local Macgregor oval (adjacent to the school with vehicle access off Hirschfeld Crescent) during a lunch time and participation is optional.

If your child is aged between 8-12 years and is interested in participating in the 800m running event, please complete the participation slip below. Students with completed participation forms will be assembled during lunch time (11:15) on 17 June 2019 and walked with supervising staff as a group to the oval. Separate races for each age group will be run, with heats if a large number of students are involved. Students will be accompanied by staff after the completion of all races back to their classrooms.

Parents are welcome to attend the event to watch their children race. As this event is being held at a location outside the Macgregor Primary School boundary, unfortunately students who do not return a participation slip are not able to attend the event.

Please do not hesitate to contact me at info@macgregorps.edu.au or 61421600 with any questions.

Please return the slip below by 14 June 2019.

Kind regards,

Bethany Taylor
PE Specialist
3 June 2019

Optional Participation in 2019 800m Event

I give permission for my child _____ in class _____ to participate in the 800m event on the Macgregor Oval located off Hirschfeld Crescent on 17 June 2019 during the lunch break. I understand the children will be walking with teachers to the oval and that the event will be rescheduled to another lunch break if there is inclement weather on the day.
