

School Concert Arrangements
Thursday evening 12 December 2019

On Thursday evening the 12 December, the children will be presenting a school concert *called 'Rocking the Decades'*. We trust that the arrangements below will provide a safe environment for the children at this very busy time.

To value the creativity, effort and team work of the children and teachers, we request that **all children participate in both** evening concert performances at 5pm and 6.15pm. There will be a finale performance at the end of both concerts involving all the children.

Please drop children off to their classrooms between **4.30pm and 4.45pm** then proceed to the Hall (to take your ticketed seat) or mingle around the senior COLA area. Teachers will supervise the children inside their classrooms (preschool children will be supervised in the library) before, during and after each performance.

Teachers are requesting that children arrive in costume ready to prepare for their performance. A separate costume note will be distributed next week.

Children could also bring some nutritious snacks for supper (a sandwich or fruit is ideal) or pre purchase a ticket for a 'meal deal' from our school canteen. A separate note regarding the 'meal deal' will also be distributed to families next week. We request that no soft drinks or lollies are brought to classrooms by students, but we ask your child to bring a water bottle to the classroom.

It is **not possible** to collect the children from their classroom until **approximately 7.15pm** because all children are involved in a finale item during both concerts. Children will move around the school under the care and supervision of their teachers.

Following the end of the repeated concert at 7.15pm, Parents and Carers can collect children **from their classrooms**. So that the teachers can be sure that each child is leaving the classroom with their own adult, it will not be possible for children to meet adults at alternate locations or landmarks around the school.

If families are not coming to the evening performances, please drop children off to the classroom at 4.30pm (they will be fully supervised by the teachers) as above and will be available for collection from **the classroom only** at approximately **7.15pm**. If you make arrangements for someone else to collect your child then please inform your child's classroom teacher.

We look forward to a great show,

Catherine Dillon and Mel Cook
