Online Medical Notes Due: Wednesday 7 February 2017

Medical, Dietary Requirements and Emergency Contact Details:

During the holidays Camp Berry informed us the booking number issued last year was incorrect. We now have a new booking number meaning all parents/carers will need to submit a new medical form using the correct number below. The camp expresses their apologies for the inconvenience.

In preparation for your child’s stay, Berry Sport and Recreation Centre requires information relating to medical, dietary and other special needs. Please complete the Medical and Consent online by 7/2/2017.

This information is provided using their online Medical and Consent form available at

It is vital that you enter the following details to complete the online form:
Booking Number 494099
Booking Start Date 13/02/2017
Booking Venue Berry Sport and Recreation Centre

If you have difficulties submitting the form online, please contact your child’s teacher and we can make arrangements for you to complete the form at school.

School Medical Note:
Attached is the standard medical form Macgregor Primary school sends out each year. This will also need to be completed in order for your child to attend camp as this is for our records. This will also be due back on Tuesday 7 February.

Children without medical notes will not be able to attend the excursion.
Medication:

If your child has any medication they need to take, it must be clearly labelled with their name, the dosage and the time to be taken. **If possible, please give your child’s medication to Miss Carney the Friday before camp with detailed instructions. Any additional medication should be given to Miss Carney before 7:30 am on Monday morning.** No student is to self-administer medication while on camp.

**Departure to camp:** Your child will need to be at school by 7:30 am on Monday 13 February. Roll call will be at 7:45am. The buses will be loaded and depart at 8:00am sharp. Students need to bring their recess. We will stop for a recess break but there will be no opportunity to buy food.

**What to bring**

It is essential that students have suitable clothing for the weather conditions as most activities will be happening outside (with indoor sleeping arrangements). Adequate changes of clothing are recommended. It is likely that students will get dirty and/or wet.
