

Stars and Robots excursion - Canberra Museum and Art Gallery

Dear Parents and Carers

Preschool are exploring what it means to belong to a community and what it means to express ourselves through art. At The Canberra Museum and Art Gallery the children will explore the exhibition *Canberra Stories*; a collection of social history artefacts and works of art that tell intriguing tales about the Canberra community. They will discover the stories behind objects, and in the CMAG Studio, explore what it means to be an artist and experiment with tools and techniques artists use to create their works of art. The program is a wonderful way of introducing children to social history and visual art within a gallery and studio setting.
