Author Visit for K - 6

Dear Parents/Carers,

Our long awaited visit from the very talented Michael Salmon is finally here! Workshops show how Michael invents a book from early prototype stage to a printed copy. Michael has published many books, including the popular ‘The Monster Who Ate Canberra’ Michael’s infectious enthusiasm and message is clear, he encourages students to ‘Believe in their own creativity’, which is sure to inspire budding young authors/illustrators to gain confidence and allow them to tap into their own creative side. Parents are welcome to attend for free and books can be purchased with signings and chats afterwards. This is a whole school event, with 100% participation intended.
