

Saturday Morning Netball Competition

Dear Parents and Carers

I have been in contact with Belconnen Netball Association and organised a Macgregor Primary School team for the coming winter competition. You are receiving this note as your child has indicated they are interested in participating in this competition.

Games are played on a Saturday morning and rotate between Charnwood and Lyneham netball courts.

The team will have the opportunity to play in a graded competition against other schools and teams in the North Canberra region. I will convene a dedicated lunch time training session and attend Saturday morning games.

This is an optional program and the cost of participation is **\$140 plus \$20 umpiring fee = \$160.00 total**. The registration fee of \$140 is paid through *MyNetball*. The umpire fees are paid directly to the Team Manager on the first Saturday morning of competition and will be used to pay the umpire each week. To ensure placement in the team, please use this *MyNetball* link to register and pay for your child.

Registration and payment need to be completed by Wednesday 11 March 2020.

This year we are introducing a netball uniform to be worn by all players during games. Further information will be provided to families as they sign up. We are expecting this uniform to cost around \$50.00, however it can also be worn to school as part of the school uniform.

I welcome the assistance of any parents or carers who can assist with training or matches.

Please discuss the commitment of this opportunity with your child and return the attached note to the front office by Thursday 12 March 2020.

Kind regards
