

Online Learning @ Macgregor 2020

The following are suggestions for online learning for your child. It varies depending on your child's age. Please choose from the following:

1. The departments new online learning site (when available)
2. Your class seesaw where work may be allocated by your teachers
3. Your child's year group Google Classroom (set by your teachers) including 3rd party websites where usernames/passwords are required
4. Your child's year group Google LIBRARY classroom (work set by your teacher librarian)
5. bit.ly/lib4kids – links set by your teacher librarian (public website – all resources free and no 3rd party access required)
6. Oliver – online e and audio books – log into digital backpack via Macgregor School website (ICT tab) and access online books
