Dear Macgregor Community,

As we come to the end of another busy and productive term, I'd like to take a moment to thank our community for your support and especially for your participation and engagement in our community events and learning experiences. The 40th anniversary reunion BBQ, learning journeys, multicultural morning tea, school discos and kids with cancer Footy Colours Fundraiser are just a few examples of our successful events. Next term also promises to be busy and exciting as we count down to our big fete. We hope you can join us and we note that the organising committee is still keen to hear from anyone who can give some time to help set up, pack up or coordinate a stall.

Throughout the term, each of you were invited to participate in our annual school satisfaction survey. Thank you for taking the time to do so, the results are very pleasing, with plenty of constructive feedback received that will help us in setting the targets and strategies for our next four-year strategic plan. We will publish detailed results next term but I have included a few results below. Percentages shown indicate the number of respondents who agree or strongly agree with the statement.

Teachers at Macgregor expect my child to do his / her best - 99%. Teachers treat students fairly - 89%. My child feels safe at school - 95%. The school works with me to support my child's learning - 94%. Overall, I am satisfied the school has high expectations in all that it does - 99%. Overall, I am satisfied with my child's education - 92%. Community partnerships are valued and maintained - 92%.

We are thrilled with these results and we look forward to setting our next targets with you, then working together to achieve them.

The end of term also brings to an end the higher duties executive roles for Stacey Salmon and Sarah Williams. Stacey has been team leader for grades 1 and 2 for the past 12 months and has been an outstanding addition to our senior leadership team, while Sarah has stepped into the preschool/kindergarten leadership role for the past 7 weeks, since Mrs Davidson won her promotion. Sarah has done an amazing job during this time as well and I'd like to thank them both for helping me to lead the school. Please join me in wishing Stacey all the best for the impending arrival of her first baby, early next term. We expect that both executive roles will be permanently filled very shortly, after interview processes were conducted last week.

One more celebration....congratulations Libby Glasgow, our EALD teacher who works with our children who have English as an additional Language or Dialect. Libby has won a short term promotion into our central office and will be back at the end of October.

Have a happy and safe break everyone and the Macgregor team look forward to seeing you back on deck on 13 October.

Yours in Education
Lana Read
Principal

**News from the Stars!**

We can't believe there's only one more term left of preschool! The Stars have had a fabulous term exploring the many things that make them unique, learning about how to stay healthy and getting busy in the garden. I told the Stars it was their job to write a message in the school newsletter all about what they have been learning at preschool. These were some of their responses:

“We know we are special because we are different and unique and sometimes a little bit the same too.”

Lola

“It doesn’t matter what we look like, we can still be friends.”

Olivia

“We are special and precious.”

Jessica

We are different. Different hair and brown hair and white hair and we don’t have the same family.”

Sophie

“How we keep our body clean and eating healthy food.”

Astrid

“We learnt how to catch our germs and fight them.”

Mason

“Sometimes we cut trees down to make paper but we have to look after the environment.”

Joshua

“We learn to read lots of books.”

Jemma

Last Tuesday we had our Preschool Learning Journey. Children thoroughly enjoyed showing their families around the preschool and sharing all their learning from throughout the year. A shared multicultural morning tea with families was a wonderful way for us to conclude our learning journey. As we have been exploring the similarities and differences between our cultures it was a fantastic opportunity to talk about food from around the world.

We wish everyone a safe and exciting holiday break,

The Stars, Sarah Williams, Bec Naughton and Heather Watt

---

**5/6AE**

We had an extremely busy but exciting term 3 here in years 5 and 6 incorporating technology into many learning areas. We introduced students to iMovie on the iPads to complete advertisements for mental health, researched and published information reports and created book trailers to encourage students to read different novels and picture books. Students have enjoyed the flexibility of using the different types of technology to submit work.

“I like using the iPads because we use iMovie and the internet for researching information instead of using paper all the time to write things down. I enjoyed doing the adverts because making it was fun and watching it was even cooler.” Aaliyah

In 5/6AE we have been focusing on self assessment to improve our writing. At the start of the unit on information reports, students were introduced to the assessment rubric and used this to assess sample work to identify their progress against the different elements. After they finished their draft, students completed a self assessment, then received teacher feedback. Students then modified their work, published it and re-assessed themselves. Students were proud of their achievement and could see the growth they achieved.

"Without self assessment I might not have improved because I could look at the rubric. I could see what I needed to do to achieve higher and extend or add information. I am really happy with the result. If I was to do another one now, I know I will be excelling." Jade

We have also been busy completing a variety of rich tasks across all learning areas, from learning how to measure angles by trying to get a hole in one on a putt putt golf course, to creating our own modified games in PE based on fundamental motor skills (FMS). This task was based on students receiving a $30,000 grant from the AIS to roll out new modified games across the ACT for primary school students based on fitness and the FMS. Students wrote learning intentions, success criteria and the whole lesson plan, before teaching the class their new game.

"I really enjoyed creating our own P.E games because we got to mix games together and modify them to be even better than before. It was fun to try out everyone else's games and see how they were too!" Amira

During book week celebrations, students created art work based on The Treasure Box by Margaret Wild. They used watercolour and collage techniques to produce their outstanding pieces of work, which can be seen on the back page along with an example of student self assessment and students teaching PE games.

We're all looking forward to a wonderful term 3.

Have a safe break and we look forward to hearing about everyone's adventures.

Anne Esposito
 kindergarten experiences with their family members.

We have begun to prepare our artwork for the annual school art show which will be held next term. Each student will be producing two pieces of art for display at the show. This is always a beautiful display of student artistic endeavours, so please mark the date – 22 November. This also happens to be the same date as our school fete. If you can help out on the day with the kindy activity for the fete, please talk with one of the teachers.

We are approaching the end of another busy term. The kindy learning space is always full of activity as we remain focussed on curriculum areas, while polishing social skills and learning how to be cooperative learners. The students have been busy building shelters in science, to demonstrate their understanding of survival needs. Some interesting photos of some shelters are included in this newsletter.

Remember that the last day of term is pirate dress up day in kindy. If your child does not want to dress up, then school uniform is fine. Your cooperation in helping your child to resist the urge to wear super hero costumes would be appreciated, the day is for pirates only!

With the warmer weather a lot of jumpers and jackets are being discarded during the day, please ensure that all garments are clearly labelled with your child’s name.

Gayle Dyer

**Heroes Corner**

- Congrats to Georgia J, Cody S, Hayley L and Imogen M who all represented MPS and the Belconnen Region at the ACT Track and Field Carnival at the AIS on Tuesday. Georgia - 13th in 100m; Cody - 17th in 100m; Hayley - 3rd in Shot and 4th in Discus; and Imogen - 3rd in 800m. The children ran and threw their little hearts out and are to be congratulated on their efforts and performances. Special congrats to Imogen who has qualified for the Track and Field Nationals.
- Congrats to Jordan L for graduating from Kings Swim School. As graduates Jordan can swim 1000m of continuous freestyle, is competent in all four strokes and has completed the Kings swim and survive program.
- Congrats to Liam A who has been invited to trial for the Skillaroos program and Imogen M who has been invited to trial for the emerging Matildas program (an important part of the journey for future Socceroos/Matildas players). An awesome achievement Liam and Im—good luck with the trials!
- Congrats to Thomas H and Liam M who both received “Most Improved” awards at the end of season presentation day for their (different) Under 8s Belconnen Magpies AFL teams. Good work fellas!
- Congrats to Ethan M who received “Best Back” award and Hayley L who received “Best Forward” award at the West Belconnen footy awards day last Sunday. Well done guys—I am more than happy to be your managers and manage your future footy careers!

---

**Ben Donohoe Run & Walk For Fun**

We are registering a school team for Macgregor Primary school to participate in the 10th annual Ben Donohoe Run & Walk for Fun which is on Sunday 2 November 2014. We would like to invite all Macgregor Primary students, families and friends to join our team.

To register with our team, your online registration must be completed by FRIDAY 24 OCTOBER 2014; no team or school entries will be accepted after Friday 24 October.

To register in our school team go online www.hawkerc.act.edu.au/runandwalkforfun

Online instructions:
- Click on Online Registration
- Click on Continue
- I’m a participant, click yes
- Search for our school Macgregor Primary school and follow the prompts to register with our team.

You can enter either course 6km or 3km, whichever suits. Collect your race number the day before the race Saturday 1 November 10.00 am – 12 noon OR on the day Sunday 2 November between 7.00 am – 8.30 am, at UC Secondary College (formerly Lake Ginninderra College) Gymnasium (opposite McDonald’s).

Team Macgregor will meet on the basketball courts behind the College between 8.30 am – 9.00 am. Students are encouraged to wear our school uniform (green bottom, red top) to identify us as a team. So come and join the fun and walk, push, crawl, scoot or run and show your community spirit for a very worthy cause!

This is a non-school event; therefore parents will be responsible for the supervision of their children.

For further information contact Glen Ridley or Jo-Anne Scanes through our front office or online at www.hawkerc.act.edu.au/runandwalkforfun or phone Hawker College on 62058986.
This bike has been left at the school since the beginning of the year. If it is yours please contact the front office.
And that my friends is term 3 done and dusted! It has been an awesome term in the PE and sporting arena and Mr Bellchambers, Mr Shaddock and I have really enjoyed teaching gymnastics across the school. It is always great to see the children’s skills and confidence develop during our gymnastics unit but I reckon more so, to see just how much fun and enjoyment they (and me) have in the process. Without a doubt the mini tramp, climbing frame and monkey bars have been the favourites with the students and watching our year 5/6s put together a short floor routine on the floor mat last week has to have been the most amusing for me. I can’t wait to start the Hot Shots tennis program in term 4!

Active Kids Challenge
Last week was the final week of the Active Kids Challenge. Throughout the eight week challenge our students were motivated and encouraged to get active and healthy for at least 60 minutes each day through four different fortnightly themes—Kick, Jump, Throw; Healthy Eating; Ride or Walk; and Explore, Discover & Play. It was great to see many of the active challenges being completed during class PE sessions and I know there have been many interesting discussions about healthy eating and playing in our local environment in classes. I will now send the wall charts that each class completed throughout the challenge to the Physical Activity Foundation so we can claim our incentive rewards for the school.

ECC Tennis Academy
A reminder that our good friend Adrian from Elite Coaching Canberra, Kippax, has a great offer for our students. Adrian has been our very own resident tennis coach for the last 4 years, providing fun, quality tennis clinics to our year 3–6 students as a part of our PE program that compliment the Hot Shots tennis program the entire school participates in during Specialist PE sessions in term 4. I know our year 3/4s have loved having Adrian in each Monday this term! For new enrolments, Adrian is offering the first term enrolled for $140 with guaranteed small groups and classes for all skill levels starting at 4 years old. Call 0422 115 293 to secure your spot. Tell Adrian Mr Ridley sent you!

Little Athletics
Second call on registrations for the 2014/15 Little A’s season. Little A’s is a family centered and rewarding sport for both children and parents/carers to be involved in—my kids love it! Online regos or details of upcoming rego locations for the Ginninderra Tigers club can be found at ginninderra.com or see Mr R for more details.

MILO T20 Blast Cricket
In week 8 the mighty Macgregor Primary had a record seven cricket teams compete in the MILO T20 Blast cricket gala days—over 60 students! MILO T20 Blast is a fast paced 8-a-side format of the game that focuses on participation and skill development in a fun environment—music played all day, classic catches competitions and free MILO!

On Monday 8 September we had two year 3/4 teams and one year 5/6 team participate in the boys competition at Kippax and on Friday 12 September we had two year 3/4 teams and two 5/6 teams participate in the girls competition at UC. All students involved in the gala days displayed exceptional sportsmanship and were great ambassadors for our school. All coaches reported that player skill improved throughout the matches and that the teamwork and support of one another displayed by our kids was awesome. Special mention must go to Georgia J who managed to stop her batting partner from scoring a definite 6 straight down the pitch by putting her head in between the screaming ball and the boundary!

I can proudly announce that both our year 3/4 girls teams and one of our year 5/6 girls teams (undefeated all day) have qualified for the finals day to be held at Deakin Playing Fields on 28 October. Go girls!

A massive thanks to Mr Venebles, Ben Naughton and ASBA Nick for coaching the boys teams and to Mrs Glasgow, Mrs Sanders and ASBA Ronnie for coaching three of the girls teams. Thank you also to the many parents who were able to come along and cheer on our superstars and occasionally let fly with some loud “Go Macgregor” chants from the sideline!

Have an awesome weekend. It’s footy finals time followed by Bathurst so I’ve got three words for you all to remember—Swans, Doggies and Holden! Mr R’s going for a hat trick!

Glen Ridley
PE Teacher

GINGERBREAD HOUSE CLASS
FUNDRAISER!

It’s that time again! My Gingerbread classes have been so popular over the past 8 years, I have been asked to do it again!! I am humbled by your enthusiasm every year, Thank you!

This year I am offering the classes as a fundraiser for Macgregor Primary School. The classes will be $42 and $5 from every house sold, will go to the School.

Gingerbread houses are a fantastic gift for family and friends. I started making Gingerbread houses for all of our family members to keep the cost of presents down each year. You can personalise them with favourite lollies and they are more precious because you made it!!

Please book in as soon as you can, so I can order enough supplies for everyone. Places always go really fast, so please be quick in booking. The Saturday class has become very popular for families.... It’s great to see the kids enjoying creating the houses too!

I need you to book in and pay your money by FRIDAY 31st OCTOBER....

You can give your money to me personally, leave the money at the School's front office, or BPAY into my account, using your full name as reference. Bank details are as follows:

BSB: 641 800
ACC: 021600127
NAME: H.A. Noakes

Anyone that pays their money and for any reason cannot attend the class will receive their kit with the instructions to make their house at home. We are also making available extra kits for those people who may wish to make more than one house. If you have attended a class, you may purchase any extra kits for $37 each ($2 will go to the school from each kit sold). You will need to order the extra kits as soon as you can, as I am making them all myself and therefore need to allow for the extras.

THE CLASSES!

PLACE: Macgregor Primary School
Hirschfeld Cres. Macgregor.

The dates will be: WED. 12th November, 7-10pm
SAT. 29th November, 2-5pm

You will receive your Gingerbread House pieces on arrival to the class. Yes!! The hard part is done for you!! You will receive a piping bag with your Royal Icing, lollies and your cake board. If you have any specific lollies you would like to add to your house, you will need to bring them with you. I will give you enough lollies to decorate your house, but maybe you have a special design you’d like to create of your own!!

We will all assemble our houses together and then decorate them with icing and/or lollies. After you have decorated your house, we will dust it with snow for you and then wrap it in cellophane for you to take home!! They look like bought ones!

I can’t wait to see everyone’s houses and the designs they come up with!! Every year we have such amazing creations! I really hope you’re as excited as I am, because it really is fun!!!

Photos will be available to view from previous years at the School front office

If you have any questions at all, please call Holley on PH: 0409 919 997.

See you all soon!!
Holley Noakes.
YES! I want to attend the Gingerbread House Class Fundraiser!

Name: ________________________________ Phone: ___________________ Email: ________________________
Friend: ________________________________ Friend: ________________________________
Child’s name & class: ________________________________________________________________

Amount enclosed: $_______________ (You will receive an email confirmation when your fee is received.)

☐ I have enclosed a cheque payable to Holley Noakes.
☐ BPAY into Acc: 021600127  BSB: 641800  Name: H A Noakes  YOUR name as a reference
☐ I have enclosed CASH

Please circle preference of class and if class of choice is full you will be notified.
I would like to attend the class on: WED 12th Nov  SAT 29th Nov

Please book in and have your payment in by October 31st. Places are limited so get in quick to avoid disappointment.
