

Children's Week Family Baking Activity

Macgregor Primary School will celebrate Children's Week from 29 October to 2 November, 2018. Children's Week is an international event that celebrates the rights of children to enjoy childhood. It is also a time for children to demonstrate their talent, skills and abilities.

We warmly invite parents, carers, grandparents and special friends to join us in baking together.

Each class will spend 45 minutes baking in our school kitchen together with their invited guest. This will be followed by a special activity whilst eating the baked treats.
