

Parent Information Session: Reading @ Home

When: Monday 22 May (week 5)

Time: 8:30am —9:45am

Come and join us in the **school library** for a morning of reading inspiration!

What will you learn?

We will demonstrate how we teach reading at school and provide some strategies and ideas for shared reading at home with your child.

Please note:

This is a repeat session of the workshop run in term 1

Learning to read doesn't happen magically. As parents and teachers we play very important roles in developing young readers. Supporting a child is best accomplished when parents and teachers share common methods and basic understanding about the reading process.
