Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities.

- Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.
- I am aware that my child will be travelling by bus to and from the venue.
- I authorise the teacher in charge to make arrangements for the welfare of the student (including medical or surgical treatment) in an emergency. I agree to meet the costs associated with any emergency arrangement made by the teacher in charge - free ambulance transportation only applies in the ACT.
- I agree that the student will be under the authority of the school for the duration of the excursion, and that the teacher in charge is authorised to return the student home at the expense of the parent/guardian if the teacher in charge considers that circumstances warrant such action.
