

Year 1 excursion to National Museum of Australia Excursion

Dear Parents and Carers

This term we are investigating the concept of continuity and change by exploring the past, present and future and how life changes over time. At the *Now and Then* exhibition at The National Museum of Australia, students will explore the galleries and handle objects to investigate how life has changed in Australia over the past 100 years. This excursion provides a hands-on exploration of a diverse collection of objects to facilitate discussions about the past and the present, as it relates to objects in the home.
