National Zoo and Aquarium Excursion – Friday 31 May 2019

Dear Parents and Carers

Year 2 will be going on an excursion to the National Zoo and Aquarium to participate in the Zoo's 'All in the Family' education program. The program explores Life Cycles providing an introduction to different animal family structures and the variety of ways animals begin their life. e.g. egg layers, marsupials, live birth and so on. The children will also meet a variety of animals that raise their young in different ways. This aligns with our science unit 'Watch it grow' where we explore how living things grow, change and have offspring similar to themselves.
