

Macgregor Primary Uniform Shop

CURRENT UNIFORM SHOP OPERATIONS

Unfortunately due to the current COVID-19 restrictions and social distancing requirements we are unable to open our uniform shop for live sales.

To assist the Macgregor community with the purchase of uniforms in the foreseeable future we will have the following in place:

Flexischools orders: All orders placed via Flexischools will be packed and delivered 2-3 times weekly depending on the amount of orders.

Email order forms: The attached order form can be completed and sent through to our email address – uniform@macgregorpandc.org – along with your payment receipt number. Our payment details are: 'Macgregor Primary School P&C Assn Inc Uniform Account' BSB: 633000 A/C N^o: 177183894. Please leave your child's name as reference when processing online transfers. Once the payment has been received your order will be packed and delivered to your child's class.

If we are unable to supply your full order due to stock availability we will contact you with an alternate option or an expected delivery date for the item/s in question.

If you have any questions or for any reason the above options are not suitable for you please email us at uniform@macgregorpandc.org and we will assist you as best we can.

Please remember – our uniform shop is solely run by working parent volunteers. We will assist as best and quickly as we can. Thankyou!
