## Macgregor Primary School 2020 Voluntary Contributions

Dear Parents and Carers

In 2020 the School Board seeks the continued support of the parent community through voluntary contributions. Contributions provided to our school allow us to enhance educational programs and the opportunities provided to our children.

As we understand the start of the school year places financial pressures on families, we encourage families to make contributions via instalments throughout the school year.

### Macgregor Primary School Voluntary Contribution Fund

Voluntary Contributions are set and approved by the School Board and cover all students at Macgregor Primary School (P – 6). These contributions go towards teaching resources which support the learning initiatives at the school and are in addition to those funds received from the Education Directorate. Our Voluntary Contributions for 2020 are \$115 for a one child family and \$140 for families with multiple children.

These funds are used to support a wider range of programs, including classroom supplies and equipment and information technology.

### Macgregor Primary School Library Trust Fund

The Library Trust Fund is a deductible gift recipient (DGR) recognised by the Australian Tax Office, and gifts are tax deductible. Funds are used to purchase educational learning resources in our school library. Contributions may also be split equally between the two funds. We encourage this option as it provides the school with the flexibility to support a greater range of programs. Contributions can be made in full or by instalments at any time throughout the year at the front office.

Thank you so much for your support now and throughout the year. Please be assured any contribution you make will be directed to making Macgregor's learning community stronger and please note that contributions are voluntary.
